1. Create a database called ‘vehicles’ and write a MongoDB query to select database as

“vehicles”.

>use vehicles

2. Write a MongoDB query to display all the databases.

>show dbs

3. Create a collection called ‘two_wheelers’. (use capping) and Create a collection called

‘four_wheelers’.

>db.createCollection("two_wheelers", { capped: true, size: 100000, max: 10 })

>db.createCollection("four_wheelers")

4. Add 5 two-wheeler details to the collection named ‘two_wheelers’. Each document

consists of following fields as bike_name, model (gear or gearless), category (100cc,

125cc, 150cc, 200cc), colors_available (red, black, blue, sport red etc) as array,

manufacturer, performance (out of 10), timestamp (date and year release) and

price.

>

5. Add 5 four-wheeler details to the collection named ‘four_wheelers’. Each document

consists of following fields as vehicle_name, model (commercial or own), category

(car, lorry, bus, mini truck, heavy truck, containers), variants (vxi, zxi, petrol, diesel

etc) as array, manufacturer, performance (out of 10), timestamp (date and year

release) and price.

>

6. Write a MongoDB query to display all documents available in two_wheelers and

four_wheelers.

```
>db.two_wheelers.find()
>db.four_wheelers.find()
```

7. Write a MongoDB query to display only vehicle name and price in all the collection of

the database

```
>db.two_wheelers.find({}, {bike_name:1, price:1, _id:0})
>db.four_wheelers.find({}, {vehicle_name:1, price:1, _id:0})
```

8. Write a MongoDB query to display two_wheelers from a particular company

```
>db.two_wheelers.find({manufacturer: "Honda"})
```

9. Write a MongoDB query to display four_wheelers available in diesel variants

```
>db.four_wheelers.find({variants: "diesel"})
```

10. Write a MongoDB query to display vehicles name, category and manufacturer details

whose rating is more than 5.

```
>db.two_wheelers.find(
{ performance: { $gt: 5 } },
{ bike_name:1, category:1, manufacturer:1, _id:0 }
)

>db.four_wheelers.find(
{ performance: { $gt: 5 } },
{ vehicle_name:1, category:1, manufacturer:1, _id:0 }
)
```
